

24th – February - 2010

Dear

The Tiger Aquatic Club (a 501(c) (3) organization) has begun coordinating the wildly popular 2010 TIGER BOWL IX swim meet and your business would be an incredible asset to our fundraising endeavors. This year we are hosting the TIGER BOWL at Idaho State University's Reed Gym Pool which will give local swimmers the opportunity to attend a professionally run USA Swimming Invitational. The Tiger Aquatic Club relies on the efforts and support of many to thrive each year. Our coaches set the standards, our swimmers do the work, our parents volunteer and fundraise, and our supporters, like you, help us reach our goals.

We are asking you to join us in our undertakings to achieve our goal of providing year round competitive swimming for a diverse group of youth in our community. The swim club values your sponsorship and any contribution will be greatly appreciated. This year's events will bring over 750 people to our community. Your contribution will not only be tax deductible but it will also solidify the quality and continued success of this program, along with its economic impact on Pocatello.

If you have any questions about the team, Tiger Bowl or other sponsorship opportunities, please call Dustin Perry at 232-4366 or by cell at (405) 420-8890.

Thank you for supporting the Tiger Aquatic Club by diving in with us to reach our goals.

Sincerely,

Dustin Perry
Head Coach

Mark Nelson
President
